live in South or Central America," said the young woman. "Political conditions are rather un-

certain. "Yes. That's the beauty of it. One doesn't have to be so dependent on one's ancestors in order to be a daughter of a revolution."-Washington Star.

The Pope's Seal.

The seal worn by the pope and used by him on official documents to which his signature is attached has on it the engraving of a fish, with the cipher of the wearer. Since the thirteenth century every pope has worn a ring of this char acter, and it is shattered with a hammer when the wearer dies to prevent its use on a forged document.
